

APPLICATION TO PURCHASE STATE RELOCATABLE CLASSROOM(S)
PURSUANT TO STATE RELOCATABLE CLASSROOM LAW OF 1979 (EDUCATION CODE SECTION 17785 ET SEQ)
SAB 25-46 (REV 06/06)**GENERAL INFORMATION**

The Phase-Out Plan adopted by the State Allocation Board (SAB) on October 26, 2005, establishes a process to sell all State Relocatable Classrooms (Relocatables), regardless of age.

Purchasing districts and private/public entities will be responsible for all costs associated with transporting and setting up the classroom. Districts requesting to purchase relocatable classrooms will be required to submit the following:

- Application to Purchase State Relocatable Classroom(s) (Form SAB 25-46)
- Application to Purchase State Relocatable Classroom(s) Attachment A (Form SAB 25-46A).
- Implementation of the Plan will occur in three processing cycles based on the age of the classroom:
 - **First cycle:** Built between 1978 and 1991 (27 years old through 14 year of age)
 - **Second cycle:** Built between 1992 and 1998 (13 years of age through 7 years of age)
 - **Third cycle:** Built between 1999 and 2003 (6 years of age through 2 years of age).
- Within each processing cycle, applications will be processed in priority order, with existing lessees receiving first priority to purchase, followed by other school districts including charter schools. Third priority will be given to public entities then private entities.
- Prior to the sale of any classrooms, school districts will be required to self certify the classrooms are in good repair using the Classroom Evaluation (Form SAB 25-46B).
- Inspections will be made by the Office of Public School Construction (OPSC).
- Relocatables determined to be in "good repair" can be purchased to house students.
- A Relocatable in bad repair can be purchased *only* if the school district does not use to house pupils.
- In no case shall the purchase cost be less than \$4,000 per Relocatable.
- If school districts declare their intent to make installment payments (not to exceed nine years), the purchase payments will be billed in equal annual installments by the SAB and will be due and payable upon receipt.
- School Facility Program (SFP) funds cannot be used to purchase Relocatables.
- The chart below represents current year (2006) purchase amounts that will be reduced annually by subsequent lease payments.
